

Quality. Efficiency. Innovation.

On April 12th, *Ontario GreenSpec* hosted the second annual Home Sweet Home awards, a competition dedicated to promoting green home building practices in Ontario. Terra View Homes was proud to accept *2011 Eaton Production Home of the Year* for our new Leed model home at Edgewater Estates in Kitchener.

“We’re Building a Deeper Shade of Green”

Improved Insulation System

Featuring ICF Foundation & Dupont™ Tyvek Home Wrap
