

INVITES YOU TO

EXPLORE

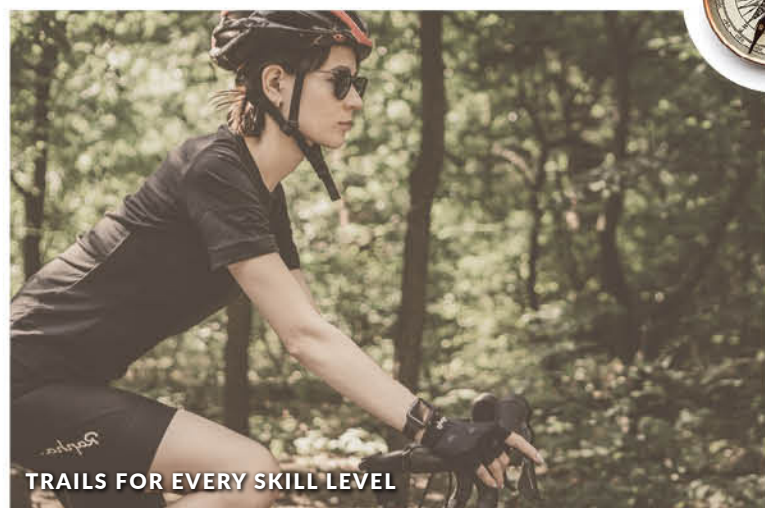

GUELPH TRAILS

Guelph has more to explore.

THE GREAT OUTDOORS HAVE NEVER BEEN SO GREAT

SELECTING IDEAL LOCATIONS for our new home communities is always of utmost importance to us at Terra View Homes. We believe the best communities offer our homeowners the perfect culmination of comfort, convenience, lifestyle and leisure. Our newest development, NiMa Trails, offers our homeowners all of the above.

Enjoy the numerous walking, biking and hiking trails within our NiMa Trails community and close by at Guelph Lake. When you add this natural amenity to over 20 kilometers of nearby formal and informal trails, you will be sure to enjoy nature to its fullest. The Guelph Lake trail network offers outdoor enthusiasts various levels of difficulty ranging from novice to expert and everything in between, ensuring plenty of options for every member of the family to get active mere minutes away.

With many trails accessible year-round, a wide range of nature experiences can be found just outside your door. At NiMa Trails, the great outdoors has never been so great – with family fun that can be experienced throughout every season.

CREATING EXCEPTIONAL COMMUNITIES

Each Terra View community has been constructed with people in mind and in the belief that home buyers not only deserve a finely crafted, quality home, but desire a sense of community and belonging in which to live.

We create communities that will stand the test of time, with an emphasis on architecture, quality craftsmanship and energy efficiency.
